**“...We will continually exceed the expectations of the progressive employers we work with...”**

*(from Advantage Wellness's mission statement)*

***“Advantage Wellness offers a refreshing approach to the stuffy topic of occupational evaluations. Employees feel important, thus creating positive morale, and better productivity while creating a safe working environment.”***

Eric M. Johnson, Human Resources Manager  
Saunatec, Inc.  
1 (888) 870-4427

***“The Advantage Wellness approach to an onsite wellness program gives us a clear advantage! In response to the employees' minor complaints, they are able to go directly to the employees' workstations and make any adjustments necessary to prevent injuries!***

***“Onsite health care has been a wonderful benefit for our employees and a tremendous asset to our facility. Advantage Wellness's knowledge of the workplace allows them to provide care that is unsurpassed in quality and effectiveness.”***

Bonnie Lano, Human Resources Manager  
Starkey Labs

***“This is without a doubt, the best seminar I have ever been to at the NSC (National Safety Council)...the energy, enthusiasm, and topic knowledge was awesome! Thank you for a job well-done!”***

Alan H., Safety Director

***“Onsite health care through Advantage Wellness has resulted in our company enjoying a 10% decrease in our work comp premiums. Considering escalating premiums up to nearly 20% in some cases, we are very pleased with the outcomes of these onsite services.”***

Marlys Pinske, Owner  
Plato Woodwork

*“Restoring, Maintaining and Motivating Your Workforce.”*
